

INTERNET AUCTION

CHAired BY JERRI GABRIEL

Go to www.gladhander.com and click on the EBAY link.

Our internet auction is located on eBay, the leader in online auctions. There is a division of eBay, called Mission Fish, designed especially for nonprofits like the Grand Traverse Area Catholic Schools. Mission Fish allows us to enjoy all the benefits of eBay while paying only a portion of the fees. Another great benefit is if you are currently an eBay seller, you can donate your sale's profits, or a portion of them, to the Grand Traverse Area Catholic Schools.

The internet auction will begin October 17, 2008, at 10 p.m. A possible second auction could occur on October 31, 2008, and consist of any items that did not sell in the first and possible some new items. The auction(s) will continue for a minimum of seven days, but please refer to each specific auction item on eBay for end time.

Gladhander is very excited about reaching all over the world to benefit our schools. Listed below and on the following page is a sampling of the online auction items. Thank you to the businesses and individuals for their donations to our internet auction. Please visit the website for the most up-to-date list of entries.
