Dear Parents,

I am offering a chance for 4th and 5th graders at I.C to have an after school computer class. This class will run two days a week for one nine week period. There will be two segments: Computers 1 and Computers 2. Holding this class will also depend on the number of students interested in joining. The class will start directly following school and run until 3:40. The cost will be $50.00 per student per segment. **If you are interested in this class please fill out the form below and return it to the building secretary no later than January 13th**. (These courses are not a GTACS sponsored event) **Please make checks out to Carol Johnson.**

Computers 1: January 23 – March 22nd

Computers 2: April 4th – June 7th

Thanks

Carol Johnson
