Transportation Options:

Traverse City Area Public Schools (TCAPS) provides numerous transportation options for all GTACS students that live in the Grand Traverse area. The options are listed below:

- You may have your student take the bus to and from your home if you live in the Traverse City school district;
- Or, in the morning, you may drop your student at the GTACS connection shuttle at West Middle School (west side families) or East Middle School (east side families) to meet the bus going directly to their school;
- In the afternoon, you may pick your student up at the GTACS connection shuttle at West Senior High (west side families) or Central High School (east side families) and take them home. (**Please note a new policy:** Students will not be released from the bus until public school dismissal at 2:57 p.m. The only way a student can be released is to have a parent come to the bus and ask for them to be released.)

You may drive, carpool, or a combination of the above;
