

WANT TO SAVE \$1,000 OR MORE ON YOUR TUITION NEXT YEAR?

CHECK OUT THE GTACS REFERRAL TUITION INCENTIVE PROGRAMS

OPEN HOUSES INCENTIVE PROGRAM

Encourage new families* to attend one of our Open Houses or Grade Level Transition Events for parents. You will receive a \$150 tuition credit per new family (maximum of \$450) for the 2011-2012 school year, based on the following criteria: 1) The new families attend one of the events based on your recommendation and list you as the referral source; and 2) You attend the event with the families. This shows that you are actively participating in the process and are willing to be a positive resource for the incoming families.

ENROLLMENT INCENTIVE PROGRAM

If the new families* you refer actually enroll their children in GTACS grades K-12 and include your name on the registration form, you will receive \$200 per enrolled student (maximum of \$600 per incoming family).

WHY PARTICIPATE?

- 1) The more families you refer, the more we reduce your tuition bill; it's that simple.
- 2) More children in the school means a larger and more diverse peer group for your children.
- 3) Increased enrollment for GTACS is important to our Schools' financial health.

* A new family is defined as 1) one with no children currently attending GTACS (preschool through 12th grade), and 2) a family genuinely interested in exploring GTACS as an educational choice.

If you have any questions regarding the Tuition Incentive Programs, please contact Cindy Weber, Director of Admissions at (231) 995-8425 or cweber@gtacs.org.
