

Bibliography Format – Based on MLA Format
St. Elizabeth Ann Seton Middle School

List sources alphabetically by the first word in each citation. Second line of a citation is indented. Authors are written last name first unless they are co-authors following the main author. Dates are written day month year. When using an internet source always include the date the site was visited and the web site address (copy and paste is easiest). A sample page using the citations below is on the back of this sheet.
